

JOIN YES!DELFT AS A MENTOR

YES!Delft has been working with startups since 2005, developing an ecosystem that create tomorrow's leading firms. This ecosystem is filled with many experts, partners and mentors. Business and industry experts, mentors and serial entrepreneurs are generating a catalysor for startups by means of their expertise and network. Do you have valuable knowledge and experience to share with startups and you want to be part of this ecosystem, apply now and we will get in contact with you.
